Homestead

The HOMESTEAD

Utah's Famous Country Resort, Established 1886

Unpack and relax in your choice of forty-three rooms located in seven unique and historic buildings. The Homestead offers a variety of decor and space. Choose from the early country victorian of the Virginia House to the rustic Barn which features plenty of room for a family. Every room comes complete with modern amenities for your comfort and pleasure.

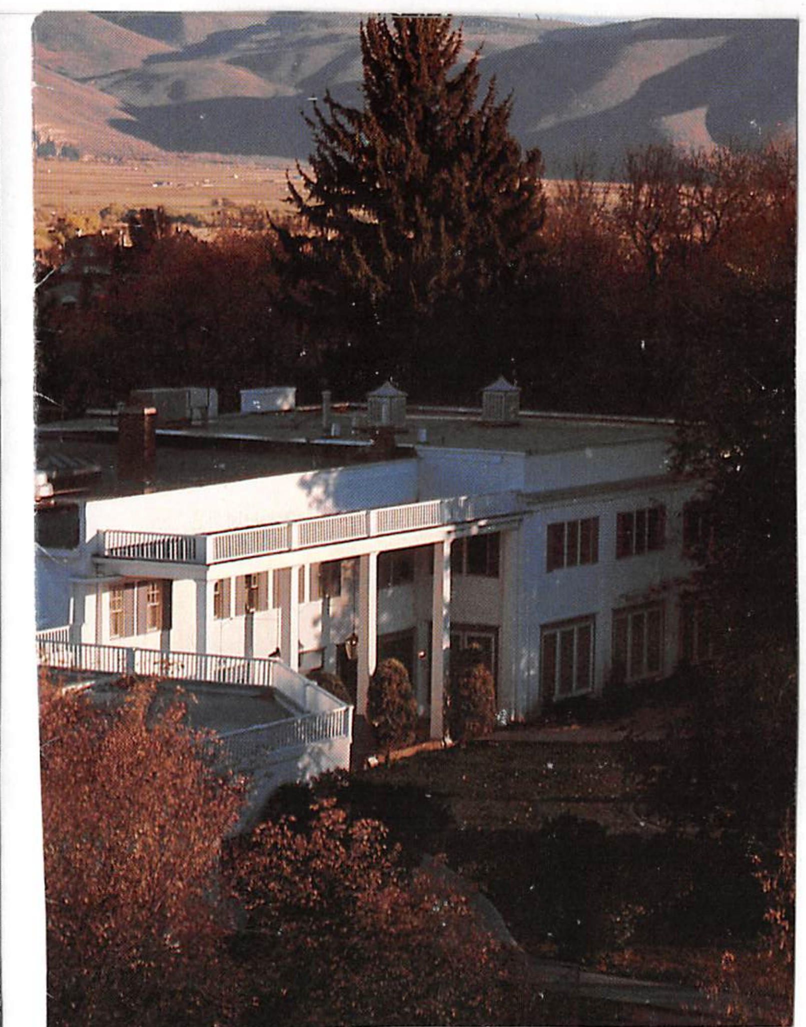

Your appetite will improve as you enjoy the high, clear mountain air. We serve great country food: prime rib, roast beef, and our famous country fried chicken are only a few of our main dishes.

The Homestead offers a vast variety of year-round activities, available on our spacious grounds or located nearby. Swim in our pools—choose from our new indoor, therapy, mineral pool, our large outdoor pool, or simmer in our redwood hot tub. Play tennis, lawn games, ride a bicycle built-for-two, or ride a horse. In the winter, we offer sleigh rides, snowmobiling, and cross-country skiing.

Whatever your favorite sport or activity, the Homestead will be your headquarters for fun.

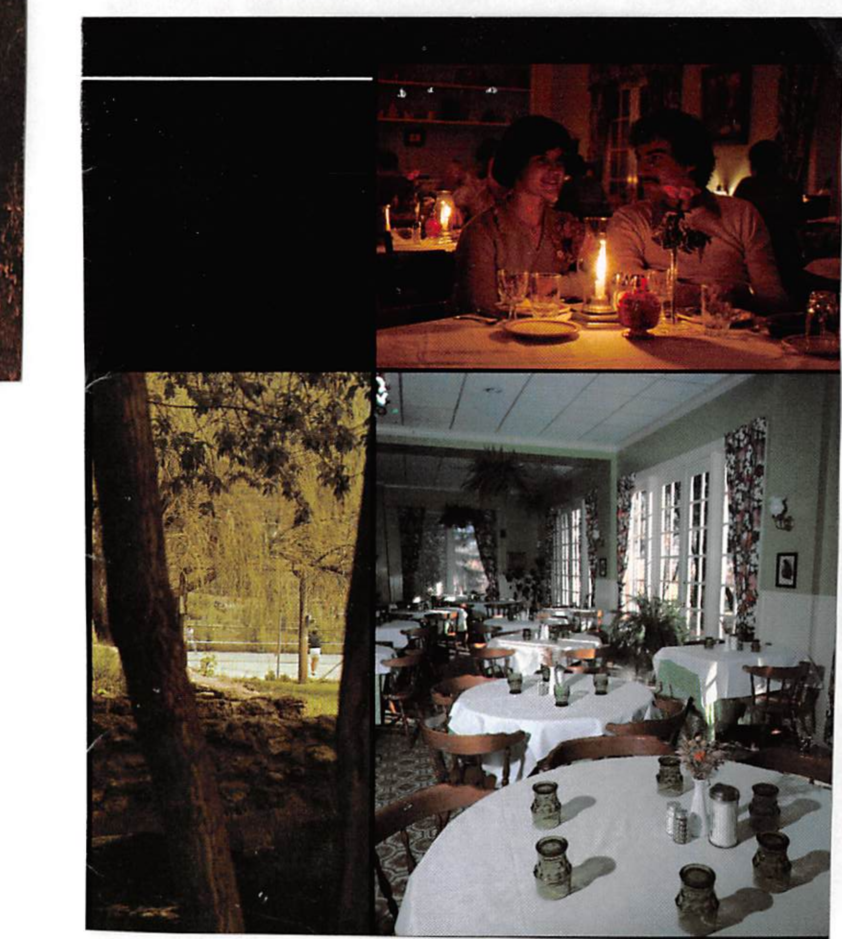

The quiet of the country has its' advantages for your next business meeting or convention. The Homestead is completely up-to-date in its' approach to modern communications with facilities to handle a small group of a few to a crowd of one hundred and fifty. A private dining area adjoins the meeting rooms.

Wheather you come with a group, family, or seek a private, romantic hide-away, The Homestead, Utah's Famous Country Resort, will fill your needs and delight your senses with good old-fashioned country atmosphere that will give you fond memories of time well spent.
